

Want to make a lasting impact with a memorial gift?

**Consider including a request for a gift
in your loved one's memory to the
Center of Disability Services in an
obituary in lieu of flowers.**

A donation in memory of your loved one can make a lasting impact by helping others live fuller, more independent lives, while also supporting a cause that reflects their values and honors their legacy. These contributions will help provide critical programs, healthcare, education, and support services to individuals with disabilities in our community.

Suggested guidance for obituary:

Include a statement in their obituary, such as:

“In lieu of flowers, we kindly ask that you consider making a gift to the Center for Disability Services. Memorial donations may be made by check to the Center for Disability Services Foundation at 314 South Manning Blvd. Albany, NY 12208.”

The Center for Disability Services (CFDS) Foundation office will keep track of memorial gifts made in your loved one's memory, notify families, and acknowledge every donation.
