

# Friends of Tony Chirico

The Center for Disability Services is proud to announce the grand re-opening of our Clover Patch Camp after a 5-year hiatus. The Center is seeking to update, renovate and reinvigorate Clover Patch Camp to provide the best experience possible for our campers. To that end, we have established an initiative to engage the Burnt Hills community in honoring Tony Chirico by providing sustained financial and volunteer support for Clover Patch Camp.

## Tony's legacy can help grow and expand Clover Patch Camp

- Tony changed lives in the Burnt Hills community through his work at the school and at Clover Patch Camp
- He helped generations understand what living with disabilities truly means — fostering empathy, awareness, and inclusion
- His legacy should not be forgotten and his example can inspire and support future generations

By connecting them with the Center, we can invite them to partner in financial, in-kind or volunteer support to build a lasting community network around Clover Patch Camp. Examples may include: construction services, cleaning services, painting services, pool services, groundskeeping services etc.

**Volunteer:** Clover Patch Camp has a variety of projects and programs that need volunteer support. If you, someone you know or a group you are involved in want to become a volunteer at Clover Patch Camp, please visit our website for a list of opportunities. (NEED LINK).
