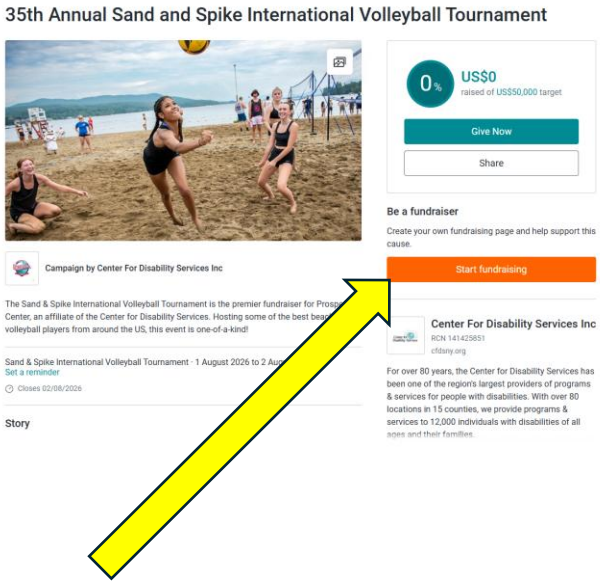
JustGiving

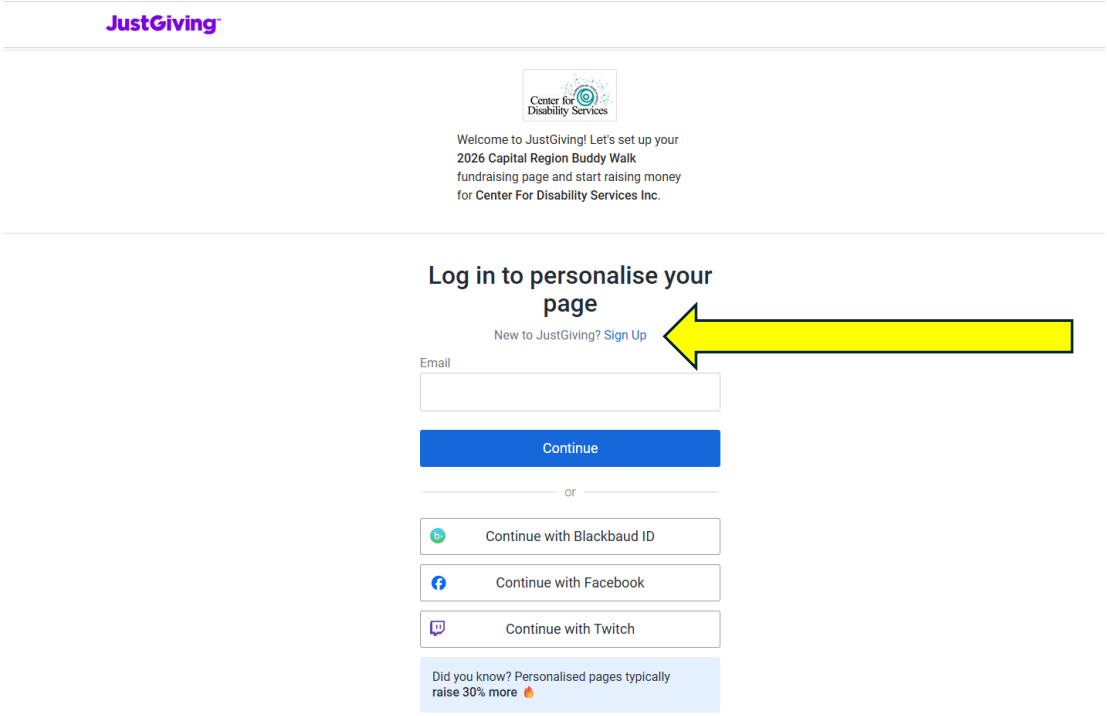
How to register, create a team or individual fundraising page for the Sand & Spike International Volleyball Tournament

1. Use this link to access the 2026 Sand & Spike International Volleyball Tournament event page: https://www.justgiving.com/campaign/sandandspikevolleyball2026

2. You will first need to register for the Sand & Spike International Volleyball Tournament and create your own individual page. Click the orange “Start Fundraising” button on the left-hand side of the page.



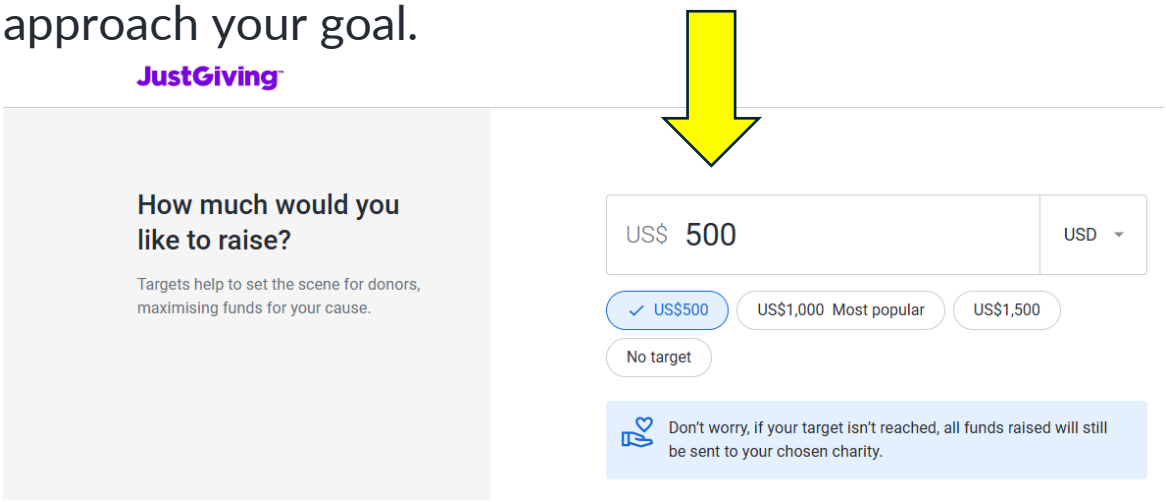
3. You will then be prompted to Log in. If this is your first time, use the “sign up” link.



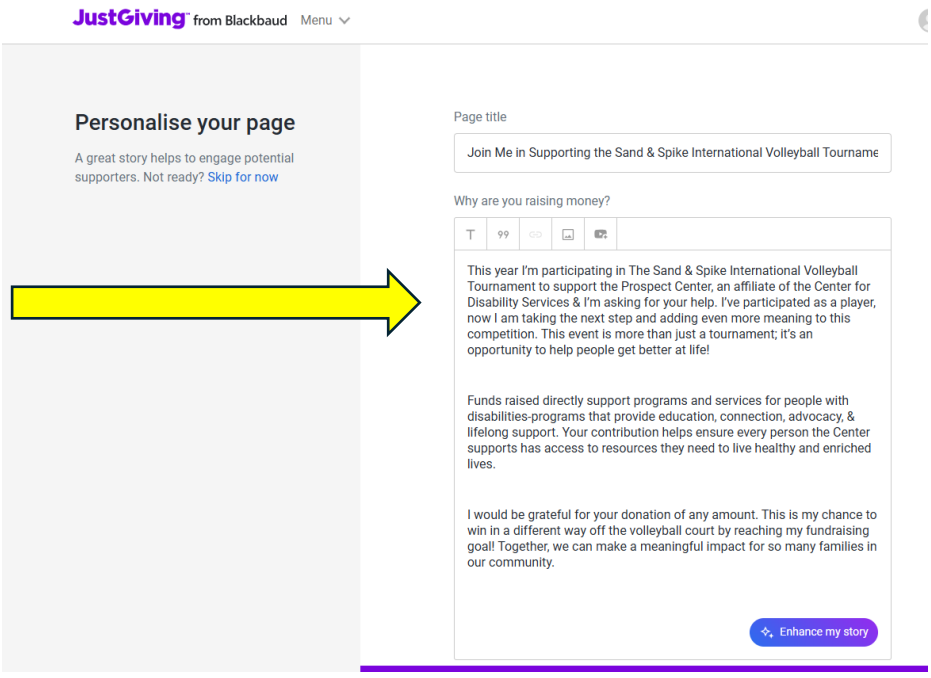
4. Enter in your info to sign up for Sand & Spike International Volleyball Tournament, create a password for your account and don’t forget to leave the ***“Yes please, opt me into JustGiving emails”*** box checked so you can get notifications when you receive a gift, new team member or info about the event.

5. Set a fundraising goal for yourself (and later, your team). Goal-setting helps you see progress and allows your donors to see the impact of their gift as you

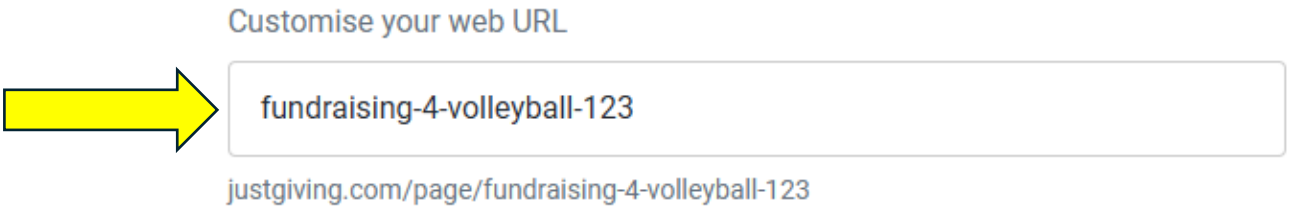
approach your goal.



6. Personalize your page. The Center has provided a template for your use for Sand & Spike International Volleyball Tournament Fundraising. Personalizing the story of why you walk and participate in Sand & Spike International Volleyball Tournament helps people understand why making a gift is important to you.



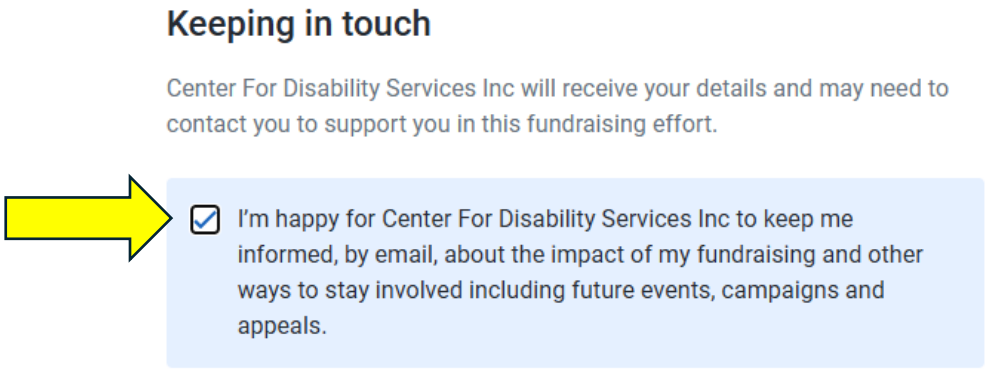
7. Choose/personalize your web address – this is the link you'll be sharing with friends and family when asking them to donate.



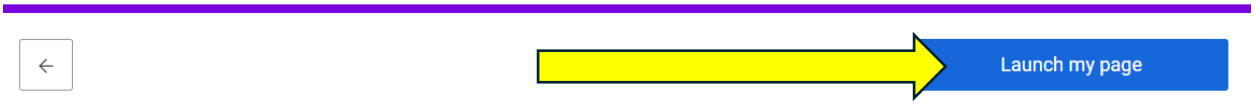
8. Add a cover photo or video: The Center has provided a template/generic Sand & Spike International Volleyball Tournament photo for your use but once again, personalization will help you raise more funds to support the Sand & Spike International Volleyball Tournament. Use a picture of you or your team from a past year of participation or a picture of the person you honor when walking in the Sand & Spike International Volleyball Tournament.

9. Click 'Finalise".

10. Click the blue box that will allow you to receive emails about the Sand & Spike International Volleyball Tournament from the Center.



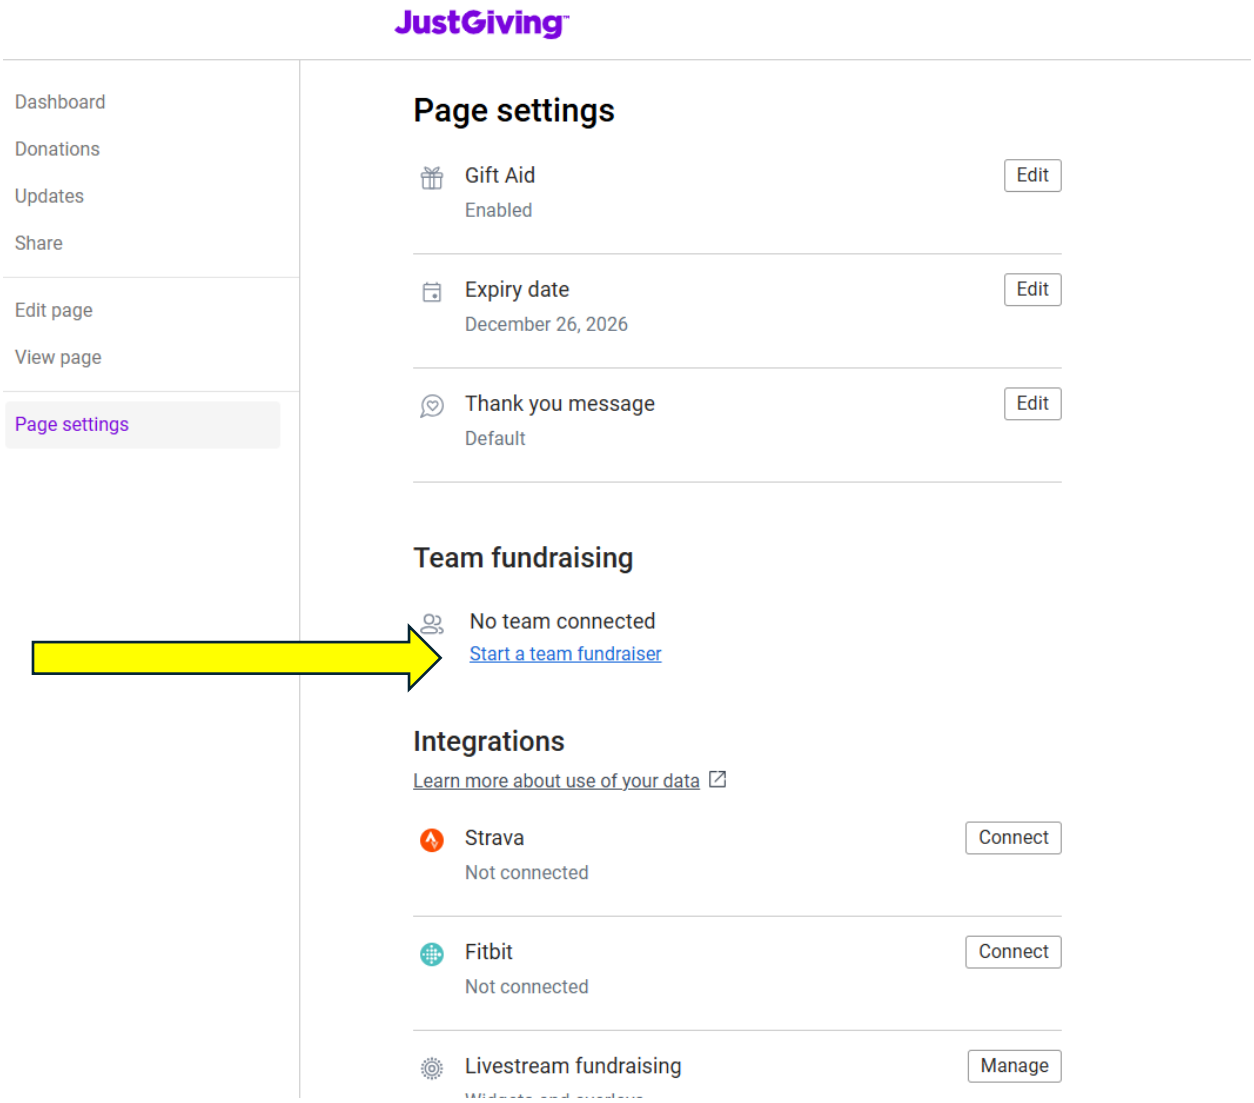
11. Now you can click "Launch my page" and make your fundraising efforts live.



12. You will next see a pop-up suggesting that you kickstart your fundraising by making a personal gift to your campaign. You will then be prompted to share your page with family and friends and ask them to make a gift/donation. You can choose to do so now or at a later date.

13. Your dashboard will allow you to manage your page, see your donations, share your page with your network and see your fundraising progress.

14. Now it is time to create a team. ******Note the first person that creates a team is automatically marked as the team captain. Navigate to the "Page settings" tab on your Dashboard and click "Start a team fundraiser"***



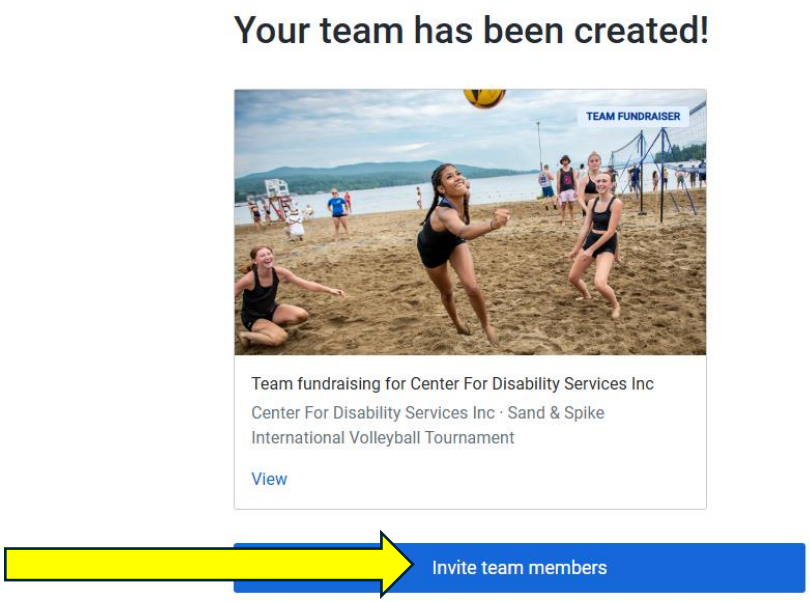
You will be prompted to "Create a team" and it will display the event/campaign you are creating the team for. Click "get started."

15. You will be asked if you are fundraising in memory of anyone. Click “no.” ***You can note if you are walking in someone’s memory or honor on the team page narrative.***

16. Set a team goal, this number should reflect what you hope to raise collectively as a team. Remember, goal-setting helps your team work toward a common goal and raise more funds to support Prospect Center through the Sand & Spike International Volleyball Tournament.

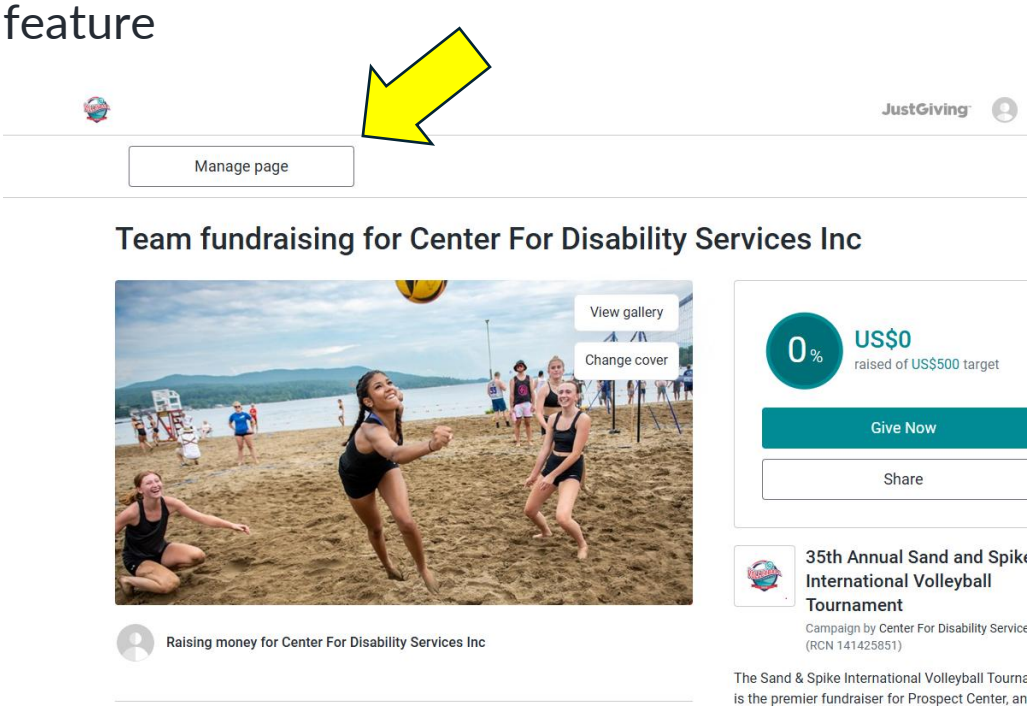
17. Next follow the same steps you followed to set up and personalize your individual walker page. Personalize your story, your team URL and photo. After you perform these actions, you can click “create team.”

18. Now you can invite team members through WhatsApp, Email, FB messenger or just sharing the link in any way you prefer:

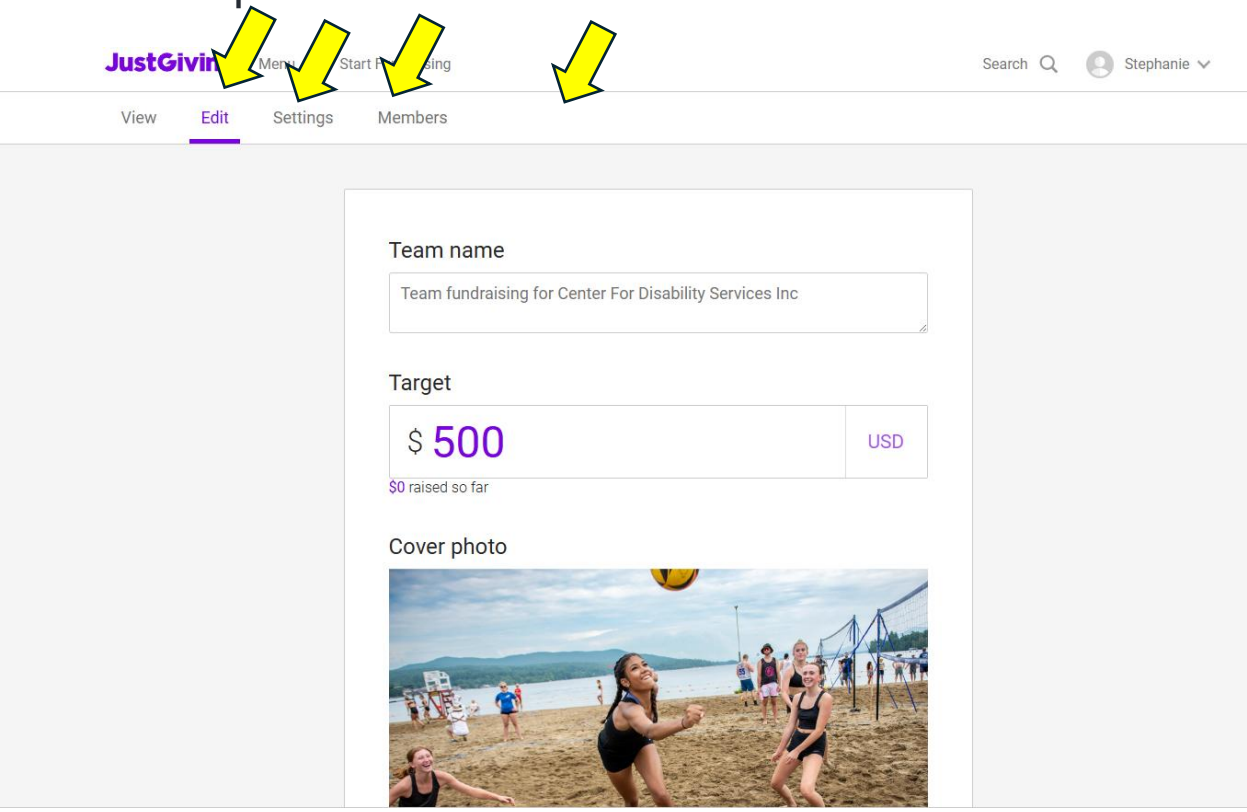


Helpful hints:

You can view your team page (see above). From the page view, you will also be able to access the “manage page” feature

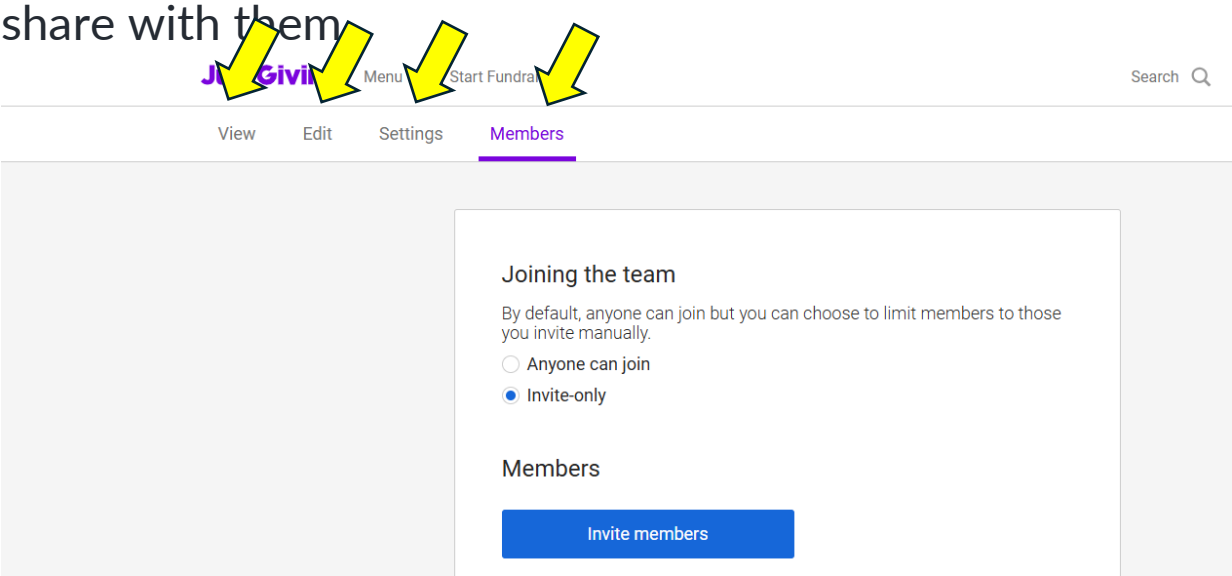


The team “manage page” feature will allow you to view and edit your team page/story, photo, goal and team membership

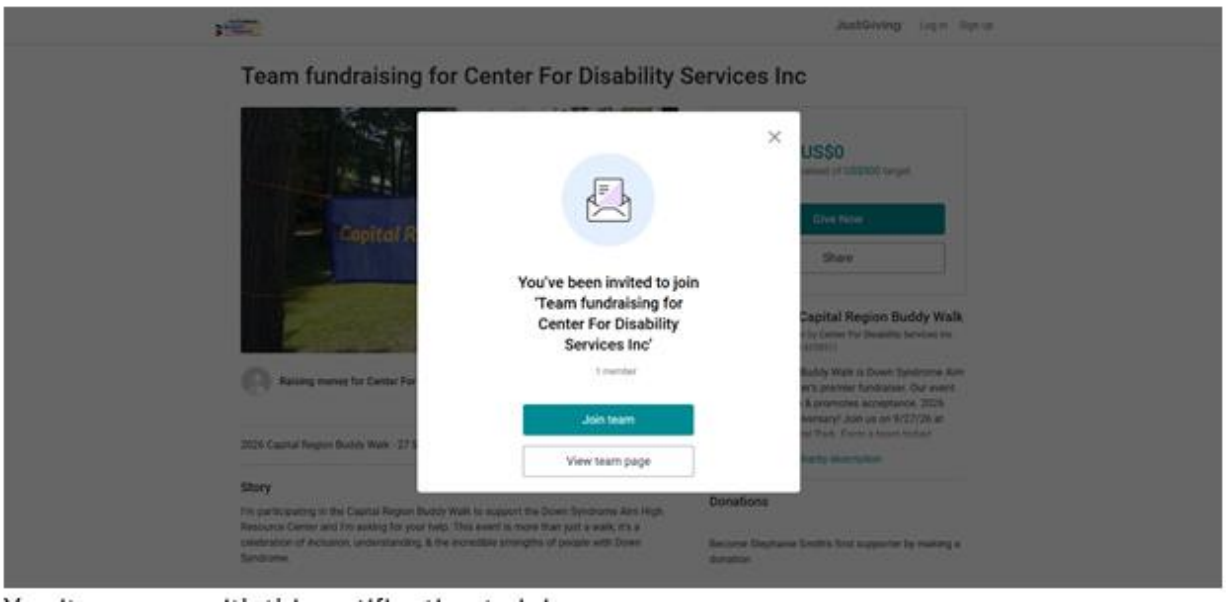


23: From the team “manage page” menu, click on “members.” Here you can set your page membership default. Choose “anyone can join” if you would like your friends and family to be able to search for your team name from the main Sand & Spike International Volleyball Tournament page and join or if you set it to “invite-only” members will only be able to join from the direct link you

share with them.

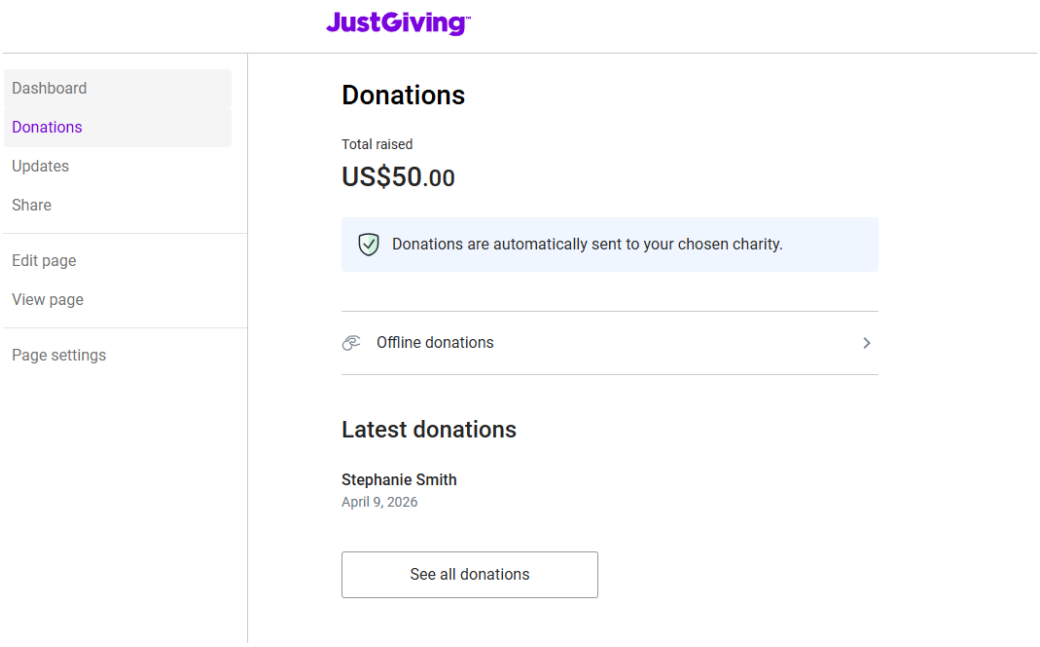


Your team members will get a notification to join your team. As a team captain, you will also get a notification email that someone has joined your team once they register.

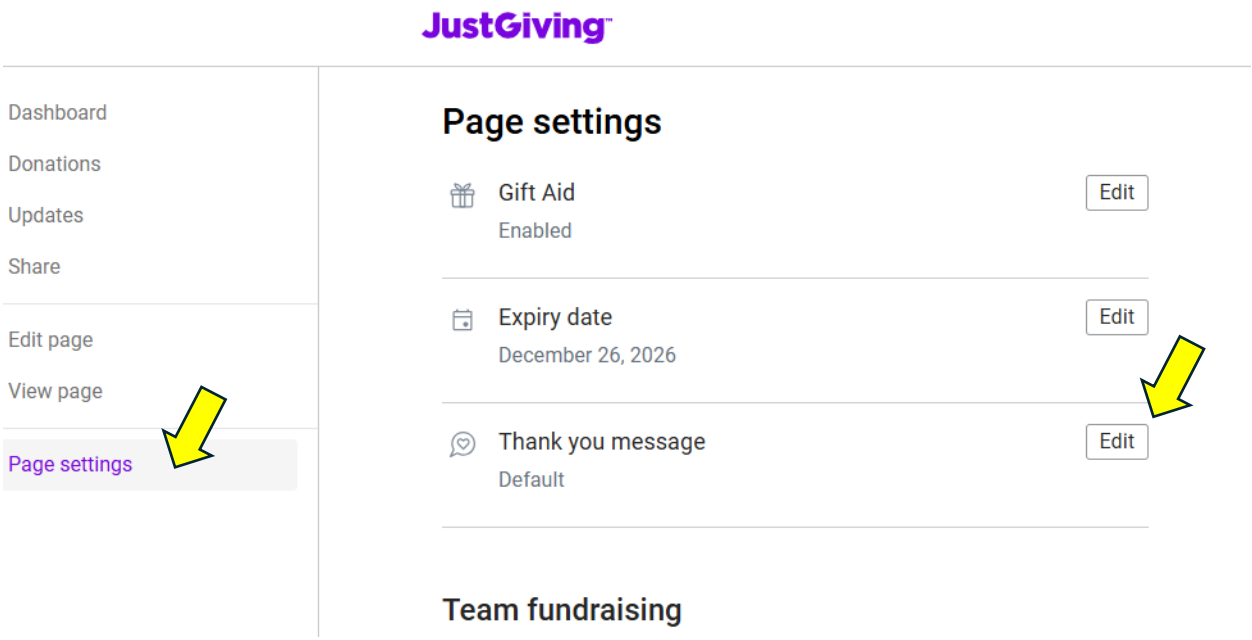


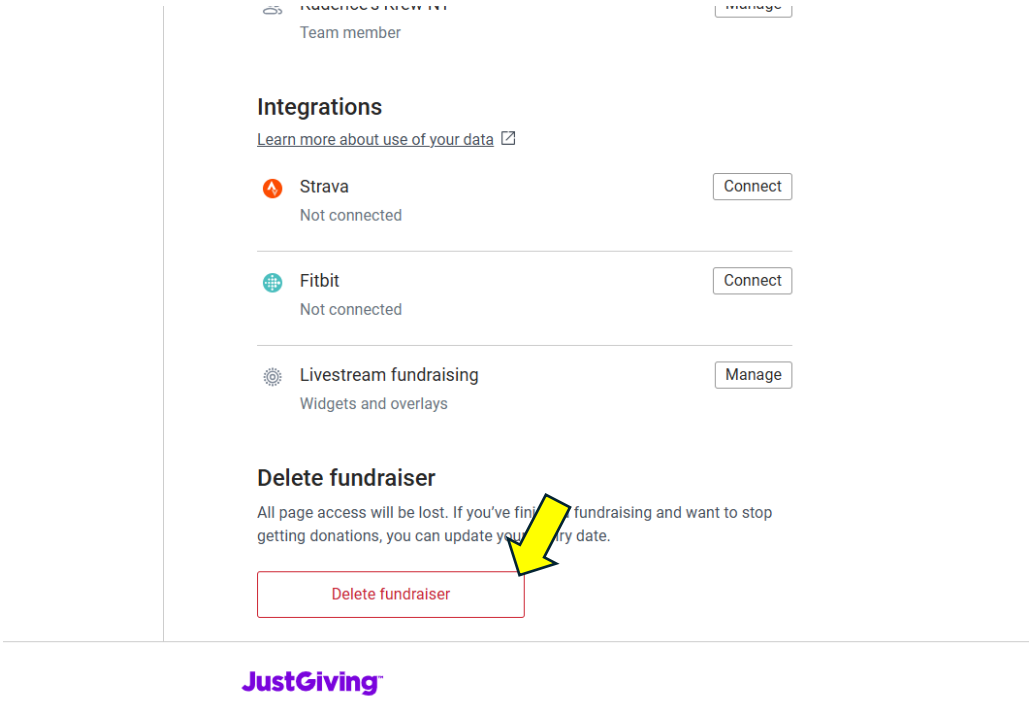
***** Note, all team members should join your team and register for the Sand & Spike International Volleyball Tournament.

If you want to view your own personal donations, you must be viewing your INDIVIDUAL page dashboard



If you would like to edit the default “thank you” message that someone will get when they make a gift to your fundraiser, edit it under the “thank you message” in the “page settings” tab of your individual dashboard





If for any reason, you need to delete your entire page, use the “Delete fundraiser” at the bottom of the “page settings” tab of your individual dashboard
