

Fulfillment Services you can feel good about!

From A to Z and every step in between let us take care of your fulfillment projects.

Help us create jobs and much needed disabled labor hours, all while streamlining your fulfillment projects and saving you money. Our cutting-edge shipping program can improve your delivery time, accuracy, and offer generous discounts on shipping rates. Feel free to reach out to a member of our team to learn more. Let us focus on your fulfillment needs while you focus on your core business.

Service Details:

- Innovative software shops with leading shipping carriers using customizable algorithms.
- We can courier, pick, pack, insert, address, warehouse, and prepare your fulfillment projects for shipping using the leading shipping carriers.
- Customizable workflows to maximize savings on shipping rates, meet preferred delivery dates, or add a full complement of added services to meet your package needs.
- We can handle large one-time jobs, seasonal projects, and longer ongoing pick and pack engagements.

Fulfillment & Parcels

What is a Parcel?

A parcel is any piece of mail that is over 13oz. This includes thick, heavy envelopes, boxes, packages, and irregularly shaped items.

Benefits:

- Postage and labor savings.
- No longer need to pay for supplies (meter leases, ink, postage tapes, scales, boxes, labels)
- Improved delivery time & accuracy
- Support our mission of employing individuals with disabilities.
- More time to focus on your core business
