

Basic Provider Course

WHAT IS A BASIC PROVIDER COURSE?

MOVE Basic Provider Training is a two-day comprehensive, certificated program for teachers, therapists, parents, professionals, and support providers working with individuals with disabilities in schools, adult care facilities and homes. The MOVE program provides opportunities for individuals to increase mobility skills in sitting, standing, walking, and transitioning while participating in activities of daily living.

COURSE OBJECTIVES

Participants will learn the:

- Purpose, principles, and philosophy behind the MOVE Program
- Six steps of MOVE
- Importance of using the Top-Down Motor Milestone Test (TDMMT) and data collection
- Benefit of using equipment while teaching
- Goal setting and more!

DATE:

**November
23-24, 2026**

TRAINING SITE:

Sacramento
COE

3661 Whitehead St
#100, Mather, CA
95655
